## Arsenal vs barcelona 2006 match report

Inside the stadium, a small army of media men prepared to bring news of this historic game to the world. Perhaps even unfortunate was Pires, who was replaced to make room for the substitute mandate Manuel Almunia. However, they still had Ronaldinho and the Brazilians were still pulling the ropes like a puppeteer. In the first half, in the first half he pushed the ball into Eto in the corner of the area. The air was dense with equal ambition and anxiety measures in the hours preceding the à € à € à € «Football. But the story has shown that this part should not underestimate. If their part should sing a melody song, then Henry would have been the director and the captain seemed to have the witness in his hands in the early stages. The introduction of the Swedish striker was to demonstrate fundamental. Book: OLEGUER, LARSSON. Arsenal did their best to get up but, tired and more numerous, their tanks were empty. The full whistle saw the opposite reaction to the opening goal. Book: Eboue, Henry. Referee: Terje Hauge appearances: 79500 Copyright 2022 The Arsenal Football Club Plc. Sol Campbell's header gave Arsenal an advantage of 37 Å Å " minute - after goalkeeper Jens Lehmann had been expelled for having fallen down Samuel Eto'o. They showed again those quality in a dramatic night at the Stade de France but, with the trophy at hand, found their path blocked by a powerful side of Barcelona. First of all, he cushioned a timely passage in the area by Emmanuel Eboue beyond the indicator of him, Rafael Marquez, to give her a thread stroke flush with just eight meters away. Shortly thereafter, Ronaldinho sent a just wide free kick. Boat had all the pressure, but Thierry Henry and Freddie Ljungberg had the possibility of finishing the discussion. In a few days, the team of Arsà Å Å Forne Wenger able to inflate the chest with pride for their performance in the first final ever in the best competition in Europe. At 37 Å Å Å Å ", Eboue Ruggè right and was knocked down by Carles Carles The Norwegian official eventually showed the red card in Lehmann, pushing a hasty replacement by the Boss of Arsenal Airsne Wenger. This time the red and blue metà of the field was ecstatic and the amazed yellow side. It was a killer blow from which Arsenal never seemed to recover. Within the first 180 seconds Henry could have scored twice. The ball crosses and Giuly planted it in the empty net. The 36 -year -old kept his head in his hands at the sight of the paper. It was a correct decision but also a sadness, given the immense contribution of Lehmann to the Arsenal season. Barcelona continued to stack the pressure, Almunia stands out again by pushing the cross of Ronaldinho away. At the 76th minute he cushioned a perfect ball for Eto'o to run and shoot at home from an acute corner. Freddie Ljungberg was also denied by a brilliant rescue from Valdes while he took advantage of the poor defense by OLEGUER. Next season we will have the Emirates stadium and, we thank Paradise, another opportunity in this great competition. However, the foul meant that Lehmann had to see red. So losing this hurts how the inferno of AF Lehmann had already shown its quality with two stops by Ludovic Giuly and Deco, but the German internship was shown the red card after only 18 minutes. The opening Salvos came from Arsenal and London fans perceived him. Could they really throw it away from such a position of strength? The ball fell to Giuly, who touched the loose ball, but the referee Terje Hauge had already been hit for the foul. The game would be pulled back for a free kick right on the line of the penalty area. Sent: Lehmann (18). To put it simply, it was the biggest game that Arsenal has ever played. He was played in Henry short to the left of the area and the vicious and low shot of him has almost Valdes at the nearby pole. It was the least that their part deserved at night. Barcelona made a change at the time. Andres Iniesta arrived for Edmilson injured. Arsenal: Lehmann, Eboue, Toure, Campbell, Cole, Pires (Almunia 20), Silva, Fabregas (Flamini 74), Hleb (Reyes 85), Ljungberg, Henry subs not used: Bergkamp, à € e à € «Van Persie , Senderos, clicky. Henry took the free kick and Campbell Ghost in front of OLELGUER to launch a header on the net on the far post. The mate of the stadium exploded in noise and color. Almunia reduced the angle and had a tip on the ball to deviate it on the pole. An incredible rescue and one who made you think that this may not be the night of boat. The Catalans flew to Arsenal at the beginning of the second half. The Gunners were lucky enough to receive a free kick when Emmanuel Eboue collapsed brologically under a challenge of Carles Puyol. The Spaniard, who had been excellent when he requested his season, survived an immediate fright when the game finally restarted while Ronaldinho whistled another just -off punishment. It was, of course, a fundamental moment and Arsenal fought to recover. The hour, the manager of the boat Frank He brought Henrik Larsson for the ineffective Mark Van Bommel. But, at least for tonight, we have to console ourselves with the thought that it was not only only Outside, there were thousands of fans - some in yellow, some in red and blue - all ready to drink in depth from the atmospheric well tonight. Five minutes later the Swedish got on the pace for Belletti to beat a shot at home that has been guns on the net by the Almunia ankle. However, 14 minutes from time, Samuel Eto'o hit home from an acute corner on one side and shortly after the substitute Juliano Belletti skewed at home in similar circumstances on the other. There would have been no. The Cameroon striker ran forward and seems to have skipped Jens Lehmann just to see his final leg captured by the German. He was a 4-5-1 with Alexander Hleb and Ljungberg who pushed forward to support Henry, the lone striker. It seemed to be a goal, but in the middle of the successful referee Terje Hauge had been skipped for the original foul. Ronaldinho continued to shine and tested Almunia with a couple of distance efforts. GOAL: Campbell 37. Henrik Larsson then created the substitute colleague Juliano Belletti four minutes later to sink the gunners. Eto'o hit the door after being played by Ronaldinho, but he was overturned by the Arsenal goalkeeper while he tried to round off. ATT: 79.500 REF: Terje Hauge (Norway). But it seemed that the Arsenal dam had been well built. From the resulting short angle, he shot in an angular unity that was pushed by Valdes. Henry and Cesc They joined to create Aleksander Hleb, but shot his shot. But the supporters of the Arsenal soon woke up awakened Through the song. During the rain of driving, the tide was incessantly one -way. Samuel Eto'o of Barcelona moves away in triumph after his draw, but Arsenal was still dangerous during the break. The former Celtic Star Larsson helped to break the resistance of the Arsenal by offering a skilled passage in the path of Eto'o, which hid a clean ending beyond Almunia at the post near. And the substitute tested Almunia after 51 minutes, the goalkeeper is doing well to tighten a blow that was slipped from the wet surface. The ball bounced for a corner. And so he proved to be. The Arsenal trip to the Champions League final had been based on courage, art and youth effort. Henry therefore had a glorious possibility of doubled the Arsenal advantage after 69 minutes, but Valdes spared down to keep Barcelona's hopes alive. It seemed that boat had exhausted the ideas and, if anything, the Arsenal was lengthening them more and more. Thierry Henry lost a crucial opportunity to give Arsenal an advantage of two goals before Eto'o shoots at home with 14 minutes left. They played with 10 men for 72 minutes after Jens Lehmann was expelled in the early stages, then they took the command eight minutes before the break when Sol Campbell nodded a free kick. For most of the second half it seemed this impossible mission would be made. The man It was Robert Pires, who was drafted in his last game for the club to make room for the replacement goalkeeper Manuel Almunia. The other met was amazed in silence. In the minutes that followed the spavalder of boat had a certain urgency urgency it. Richard Clarke in Paris should not have been. He turned brilliantly in the Barcelona box, just to be denied by Victor Valdes's underwater victory from the guilt.
