So, how many Starbucks are there in Manhattan? Read on to find out. Starbucks has approximately 223 stores in the Manhattan borough.I love visiting Manhattan because of its famous landmarks, museums, and tourist attractions; it is the most visited borough in New York City. During regular visits to the borough, I often visit the Starbucks New York Roastery. I love the roastery because of its unique drinks. Also, the experience at the store is like no other. If you live in Manhattan or are planning to visit and have no idea where to find a store, this article will help you find the most popular Starbucks locations in the borough. The first Starbucks shop to open in Manhattan is the Starbucks Lafayette & 8th Street.The store is located at Astor Place in Greenwich Village, Lower Manhattan. The store was opened on 30th March 1995 and boasts a 4000 square feet floor area. At the time it was opened it was the largest store in the area. Thelonius M. Jr. was present during the opening ceremony. A performance by Benny Green made the launch one of the most unforgettable events on the Starbucks New York City timeline. The biggest Starbucks store in Manhattan is New York Roastery.The store opened its doors in December 2018. The store boasts a 20000 square foot floor area divided into; The main bar:The bar is the engine of the roasterys coffee experience. At the bar, Coffee Masters will suggest you the ideal drink. You can pair the drink with a food item prepared on-site in the Princi store. Experience bar:This bar offers you an entertaining and engaging moment. Visit the bar if you want to deepen your coffee experience. Scooping bar:The Starbucks staff will share the companys love for coffee at this bar. You will have the chance to choose a packaged reserve coffee blended and roasted on-site. Arriviamo bars:This bar boasts unique coffee creations and inspired cocktails. Starbucks created the bars menu in collaboration with Julia Momose (a renowned mixology luminary). Every beverage at this bar is an alchemy of innovation and precision. A display of unique coffees handpicked at the Starbucks roastery:This section displays a unique selection of coffees that Starbucks wishes to share with you. Roasting area:In this section, Starbucks Master Roasters put to practice their mastery of coffee roasting. The objective here is to create unique coffee roasts. Precise heating and timing ensure that each coffee has a one-of-a-kind expression. Princi:In this section, you can enjoy multiple sweet treats such as bread, pastries, and artisanal pizzas. The bakery items are traditionally baked, following time-honored recipes and techniques. The store has an app that gives you a hint of what to expect during your visit to this amazing store. The app also expounds the journey of the coffee from the farms in different regions worldwide, to the unique blending and roasting processes and finally to your cup. Lastly, the app has guide that will help you prepare the rare coffees offered at roastery. Visit this location if you are in the Manhattan borough and are looking to get an unworldly coffee experience. There are approximately 223 Starbucks stores in Manhattan.The Manhattan borough boasts the highest number of Starbucks stores in New York City.
