Why, a term that has been extensively used across various disciplines and art forms, is a word with multiple meanings and uses. It can refer to causality, where two events are connected in a particular way; reason, which serves as a premise to support an argument or idea; grounding, a concept in metaphysics that explores the nature of reality; or simply a question being asked, as in journalism. In the realm of music, Why? is a notable name associated with several bands and artists. The most prominent one is probably Yoni Wolf, formerly known by the stage name Why?, who formed the hip-hop/indie rock band in Oakland, California, in 2004. Other notable mentions include Canadian rock band Why?, UK folk duo Why?, and American singer Why?. Throughout history, various artists have recorded songs titled "Why," ranging from Andy Gibb's 1978 ballad to Lionel Richie's 2006 hit. The song has been covered by numerous artists across different genres, including Bronski Beat in 1984, Earth, Wind & Fire in 2015, and Annie Lennox in 1992.
