12345678910 Telling a story of personal growth, self-discovery, and rising above past struggles, “Golden” is performed by the fictional girl group HUNTR/X in the 2025 Sony Pictures Animation film KPop Demon Hunters. In the song HUNTR/X members, Rumi, Zoey, and Mira reflect on feeling lost, misunderstood, and hiding their true selves, but eventually embracing their identity and gaining strength as a team. The repeated phrase “gonna be golden” symbolises their unstoppable potential and the bright future ahead, as they step into their true selves proudly, while also alluding to the ‘Golden Honmoon’ concept in the movie, achieving which is the ultimate goal for HUNTR/X. The song is performed by the singing voice cast of the movie, K-Pop singer-songwriter EJAE sings as Rumi, American R&B singer Audrey Nuna sings as Mira, and Korean-American singer REI AMI sings as Zoey.
