This message is the answer to the question he was looking for from the moment he was about nine. Earl Nightingale was born in economically depressed times. From a child, because they were so poor, Earl desperately wanted to know why some people grew up to enjoy prosperity while others, like the family of him, fought simply to survive. Unable to find answers to him questions of him from Crownups, Earcan started reading everything that he could, believing that someone, somewhere, had the answer. Many years passed, and when Earl was 35, he wrote and recorded this message. It had to be played a Saturday morning at a small group of sellers during the absence of him. When reputed propellers, he knew that the message had made a positive impact on the men who wanted copies to share with their friends and family. Earl has organized Columbia records to duplicate the record to meet the numerous requests. Very to the surprise of ErcIÀ ¢ ¢ ¢, ~ ¢ ¢, ~ ¢ ¢, ~ ¢ ¢ ¢ very long, without any real advertisement or marketing, over a million copies had been sold and received a gold record. Earl defined the message the most strange secret. And this single registration was the seedling from which the entire personal development sector has grown. And since Earl had discovered the true meaning of the most strange secret, which determines the outcome of the life of only one time, it went from the poverty of becoming one of the most recognized voices and names in all the United States and Western Indies South Africa. His daily radio program, our world that changes, was the most widely sponsored radio program in the world and was listened to every day across the United States, Canada, Mexico, Australia, Bahamas, Guam, New Zealand, Puerto Rico, the radio of the armed forces and 30 countries abroad. Since my husband's death in 1989, I continually searched for new effective ways to continue to share the many inspirational messages of EarIÀ ¢ ¢ ¢ and the world. This eBook is one of these ways. The personal development industry is so vast today, and yet, people around the world attribute the most strange secret as the only message that struck their lives more positively. Like laws, you will notice how the statistics reflect those of the half of 1950. But more than 50 years later, the message is true and precious as much as. I hope you like the book, but more than this, I hope you put the most strange secret to in your life. Diana Nightingale Back to the top The most strange secret I would like to talk to you about the most strange secret in the world. Not long ago Albert Schweitzer, the great doctor and the Winner of the Nobel Prize, was interviewed in London and a reporter asked him, what was the doctor wrong with men today? The great doctor was silent for a moment moment Then he said, men simply don't think. And that's what I want to talk to you. We live today in a gold east. This is an era that man has not seen, dreamed and worked hard for thousands of years. But since here we take it quite well. We, in America, are particularly lucky to live in the richest land than ever existed on the face of the earth. A land of abundant opportunities for everyone, but do you know what happens? Take a hundred men who start even at age 25. Do you have any idea what will happen to those men when it is 65? These hundred men, who all start even at the age of 25, believe they succeeded. If you ask any of these men if you want to be a success, it would like
