Most items from a Membership Box, clothing, buddies, wands, etc. will say in its description "Gifted from a Member Box". The items you receive every month often represent the month's theme or the month's upcoming holiday. By the 14th, 15th, 21st, or 22nd of every month, Prodigy shows a sneak peek at the next month's Member Box to everyone. If the items usually granted from a member box are obtained in other ways (i.e. hacking or events), the line "Gifted from a Membership Box" will not be present on the description of the item. On 1/14/2021, a glitch occurred in Prodigy, causing Members to obtain every Member Box which existed at the time. [PATCHED]On May 31, 2021, another glitch occurred with the member box. The member box kept freezing every time it burst open, leaving the member box unobtainable for people. This was due to an error with Prodigy's network server. Patched on 6/1/2021. A similar issue had occurred on 5/31/2018.[1] During the incident on 1/14/2021, users were allowed to keep the glitched items.[2] If your Memberships ends, you can keep the items from your past Member Boxes. In the May 2021 Member box, it said it had Magic Snowflakes, but when you opened it, it became Shivers. After opening a member box, Noot says, "Isn't this stuff neat?", "Isn't being a Member awesome!?" or "Look at this cool stuff!".
