Coc best th11 farming base

If you are looking for the best th11 bases. You are in the perfect place.We frequently test, build, and review the basic layout of Town Hall 11 and provide it here so you can from here and start using it without building or testing it. So check out these five best town hall 11 layouts. Best TH11 Bases 2021 So in this base, Townhall, clan castle, dark elixir storage, and wizard tower are placed in the center. There are five compartments around this center. Above the center, there is eagle artillery. Right after that, there is a hidden tesla, inferno tower, and air sweeper in the top right and bottom left side of the center. There is elixir storage, giant bombs, and an air sweeper at the bottom of the center. There are giant bombs, air sweepers, air bombs, and elixir storage on the center's right side. And there are other buildings as well in the outer layer covering the town hall and clan castle. This is one of the best th11 farming base of 2021. Eagle artillery, town hall, clan castle, and dark elixir storage cover's the center. On the center's right side. There are air defense, X-bow, and a grand warden. Best TH11 Farming Bases Air defense and x-bows are at the bottom of the center as well. There are two air defenses on the upper side of the center and two hidden teslas, and an air cannon. There is elixir storage, an air sweeper, and an inferno tower on the left side of the center. Moreover, many buildings are covering the town hall in the outer compartments. The archer queen and clan castle cover the center. Right next to the center, the town hall is in the next compartment. The center is surrounded by wizard towers, air defense, eagle artillery, and x-box. Best TH11 Hybrid Bases There is a mortar, archer tower, gold storage, and cannon in the left side compartment. Gold storage, cannon, barbarian king, archer tower, and elixir storage is in the next compartment. The next compartment consists of gold storage, eagle tower, cannon, giant bomb, hidden tesla, archer tower, elixir storage, cannon, archer tower, and mortar in the next compartment. Similarly, other buildings outside the walls are saving the townhall, making it one of the best th11 bases. Best TH11 Trophy Bases Townhall, Clan castle, x-bows, wizard towers, eagle artillery, air sweeper, and inferno towers are in the base's center. There are two gold storages with a barbarian king and an air bomb on the left side of the center. Above the center, there is air defense, giant bombs, elixir storage, and a wizard tower. There is a bomb tower, cannon, air defense, gold storage, archer queen, hidden tesla, and spring trap on the center's left side. There is a giant bomb, elixir storage, air defense, wizard tower, cannon, and gold mine on the bottom of the center. There are some defensive buildings outside the walls that will ruin the attacking strategy of your opponent. Best TH11 War Bases You can see in this base that townhall is not in the base. It is because you can put more protection in the center and use the distraction of other buildings and have a greater chance of not having three stars. We have a clan castle in the center with eagle artillery and archer queen in the center. We have x-bows, an air sweeper, and a giant bomb above the center. Below the center, we have the same buildings as above. Two elixir collectors and a wizard tower are placed on the center's right side. 2 wizard towers, a giant bomb, and a grand warden are placed on the left side of the center. So these are some of the best th11 bases. The Town Hall 11, in clash of clan, has built up excitement for players. Most players have to deal with worries to build the best TH11 farming bases. The upgrade strategies are very important to build the Town Hall base. It is very important to know what should be upgraded first. After upgrading the buildings & troops, the placement is very much important. The clan must have compartments, which will make your clan more protected and safe. Best TH11 Farming Bases 2021 Different clan types can be chosen according to your priorities, whether you want to save resources, town hall, or gain trophies. The Town Hall 11 will add an Eagle Artillery defense building to your base, which is very amazing. For extra defense, you can add the four best towers such as X-Bow, Wizard Tower, Cannon, and Archer Tower. TH11 Farming Base without Eagle Artillery So, in this TH11 farming bases guide, you will get to know all about the clash of clan's town hall 11 farming bases. This article includes the basic designs of Town Hall 11 farming bases and some strategies to build the most protective base. The clash of clans base layouts are most helpful for your clan defense and attack strategies. Unconquerable Town Hall 11 Farming Bases For forming the best TH11 farming layouts as your clan base, then your priority should be protecting your resource towers. For shielding your resource building, you must place it in the center with a heavy defense building. It would be the best tip to save your resources and profit from the attackers. Place your Town Hall and resource tower in anti-defensive security and the rest of the buildings must be outside the clan. Townhall 11 Farming Base Anti Everything In town hall 11 you will get fewer buildings and walls, but still, if you will focus on our designs you will get the best base. Mostly in the farming base layout, you have to prioritize your resource building. You have to save your clan from the loot that can be done by opponents. In this TH11 farming bases, you will see a big compartment full of resource towers packed in a wall. The town hall is centralized. In one compartment the eagle artillery is placed which is well known for its defense techniques. All the other defense buildings are distributed in the whole clan for good protection of the clan. TH11 Farming Base Anti Electro Dragon In this th11 base layout, more compartments can be seen as compared to the previous one. More compartments mean the entrance is strong and will make it harder for opponents to enter the clan. The town hall and resource tower are centralized, packed from both sides with a heavy army. Some of the resource towers, collectors, defense towers, and army towers are distributed all over the clan. Farming Base Townhall 11 Base Layout Link In a farming base, it is very important to save your resources from the attackers. The same strategy can be seen in this TH11 farming base layout, the town hall is centralized with resource towers and TH11 archer queen alter. Some of the resources are placed in the outer layer of the clan but with a heavy army. The heavy army contains X-Bow, Wizard Tower, Cannon, and Archer Tower. All the defense, army, resources, and other buildings are distributed equally all over the clan. Unbeatable TH11 Farming Base Links In this base the center compartment is big containing Town Hall, eagle artillery, TH11 archer queen alters, barbarian king alters, and resource towers. All these buildings are packed in a wall, surrounded by four sizes with same sized compartments. These compartments contain resource towers, collectors, and air-defense towers. While some more layers are full of a heavy army containing archery, cannon, mortar, and x-bows. TH11 Farming Base no Eagle To make more compartments, most players use less hard walls for the protection of their clan. This strategy is good but by using harder walls, your TH11 farming base can be much stronger than usual. The town hall is centralized in one side compartment packed in the wall. Outside the wall, the defense buildings and resource towers are placed with a heavy army. In one compartment eagle artillery is placed with archer queen alters. The defense towers, resource buildings, and army towers are equally distributed in all the clan for the protection of troops.
