Gain efficiencies where you need them with a modular approach from LISTA.Bill Hartman Sr.Industrial EngineerGenessee County Road CommissionTim SabinOperations/Equipment Director Freely configurable modules ProductsLISTA® offers a comprehensive range of products for superior organization and efficiency. Our modular approach allows us to completely and specifically address your needs with products that will make the most of your space. RELATED ARTICLESMake a Packing List in SpanishMake a Registry in Spanish LISTA workspace equipment is available in twelve standard colours, six predefined colour combinations and, on request, any other colour and colour combination. This allows you to design your workshop with complete flexibility and individuality. Different colours for different work areas, coloured accents to increase clarity or complete company facilities in the corporate design; it's all possible. Contact us. The extensive range of LISTA cabinets enables you to customise and add to your storage and workspace equipment. The high-quality steel cabinets can be easily integrated into a variety of working environments and individually adapted to your specific requirements. They are suitable both for industrial purposes and for storing files and similar items in offices and administrative departments. And of course your personal belongings are always kept safe in a LISTA cabinet.
