Socially awkward awesome penguin origin. Socially awkward awesome penguin meme generator. What makes you socially awkward. Why are penguins socially awkward. What does socially awkward. Socially awesome awkward penguin meme. Socially awkward penguin meaning. Socially awesome penguin vs socially awkward penguin.

We all know about the socially awkward penguin and we all know about the socially likable penguin. We may have even seen their hybrid, the socially awkward penguin. Now we have a second hybrid. This is in case you start Akward but finish AMAZING! This is a free online image editor that lets you add resizable text, images, and more to your templates. People often use the generator to customize the memes they have created, such as those found in the Imgflip collection of meme templates. However, you can upload your own templates or start from scratch with blank templates. How to create a meme Choose a template. You can use one of the popular templates, search over 1 million user-submitted templates with search, or click "Upload New Template" to download your own template from your device or URL. To design from scratch, try searching for "empty" or "empty" in the templates. Add settings. Add text, images, stickers, drawings, and spaces using the buttons next to the meme canvas. Create and share. Click "Create Meme" then choose how you want to share and save your meme. You can share on social networks or on your phone, share a link or download to your device. You can also share content to one of the many Imgflip meme communities. How can I customize my meme? You can move and resize text boxes by dragging them. If you're using a mobile device, you may need to check the "Enable drag and drop" box in the "Other options" section first. You can add as many additional text boxes as you want using the Add Text button. You can adjust the font color and outline color next to the text input area. You can further customize the font of each text box using the gear icon next to the text input. Imgflip supports all fonts installed on your device, including standard Windows, Mac, and web fonts, including bold and italic. Over 1,300 free fonts are also supported for all devices. You can use any other font if you first install it on your device.Then enter the font name in Imgflip. You can insert popular or custom stickers and other images including scum hats, sunglasses, speech bubbles and more. Opacity and resizing are supported, and you can copy/paste images with CMD/CTRL+C/V for quick creation. You can rotate, flip and crop all downloaded templates. You can use the bar above the meme thumbnail to draw, draw, or paint on your meme. You can create "chains of memes" from multiple images arranged vertically by adding new images with the setting "below the current image". You can remove our imgflip.com secret watermark (as well as remove ads and improve image making) with Imgflip Pro or . Can I use the generator for more than just making memes? Yes! The meme generator is a flexible tool for many purposes. By uploading custom images and using all the settings, you can create many creative works, including posters, banners, ads, and other custom graphics. Can I create animated or video memes? Yes! Animated meme templates will appear if you browse the meme generator above (try party parrot). If you don't find the meme you're looking for, browse all GIF templates or download and save your own animated template with GIF Maker. Do you have a crazy AI that can write memes for me? Funny you ask. Why yes we do. Here: imgflip.com/ai-meme (Warning, may contain profanity) This is a list of the best examples of the Socially Cool Awkward Penguin meme. It's a combination of two very different popular memes that have been around for a while. The Socially Awkward Penguin meme is an image of a blue penguin walking to the left and consists of comments that tend to be negative. No matter what the socially awkward penguin does, he can never get a break. The socially sympathetic penguin is the polar opposite of the socially awkward penguin. This is a photo of a penguin in red running to the right. Where Clumsy can never get anything right, Socially Cool Penguin can.wrong. Everything he tries ends up in the best possible scenario. If you squash them, you'll end up with a socially awkward penguin. While these two memes alone tend to be too extreme to be considered real, together they describe situations that happen to many unfortunate people. Something great is happening that goes wrong very quickly. Also check out other Ranker meme summaries such as .Photo: Meme status confirmed 2009 Origins 4chan Tags social awkward penguin single character image macro relationship imprecision social stereotype social cool Additional Links Encyclopedia Dramatic Meme Generator Urban Dictionary Socially awkward penguin is a clue from the series Animal images of a penguin that lacks both social skills and self-esteem. The text usually talks about unpleasant life situations and highlights a particularly clumsy or inelegant reaction. Origin The original image was taken by wildlife photographer George F. Mobley and published to illustrate the Ad le penguin fact sheet for the National Geographic Wild Animals website. Image macros of socially awkward penguins first surfaced on 4chan in May 2009 after both series such as Advice Dog and Courage Wolf exploded. In an archived thread dated May 31, 2009, user /b/ (random) cites a socially awkward penguin as an explanation for the term "terminal animal". Distribution On August 30, 2009, the single-themed blog Fuck Yeah Socially Awkward Penguin was created. The socially awkward penguin was featured on several other 4chan boards this year, including /co/ (comics and cartoons) and /a/ (anime and manga). The socially awkward penguin was first mentioned on Reddit on September 25, 2009 in a comment thread. After the original vanhukjosh poster asked for help with his anxiety, Redditor parttimehuman used a hint to calm him down.Everyone has moments in life when they feel uncomfortable. In July 2010, BuzzFeed published a series of images of socially awkward penguins, followed by Smosh in November. The following month, a number of notable images were published on the Internet culture blog Street Couch, and the Socially Awkward Penguin Android app was launched. The first instance of Quickmeme was generated at the end of December 2010. The following year, the series also appeared on the Internet blogs Topcultured, Runt of the Web, and Geekosystem. As of April 2012, the Facebook page associated with the macro has over 32,000 likes. He has also become a popular hashtag on Tumblr and Twitter, garnering posts about embarrassing life situations. Notable examples Redditor Denying Reality posted a photo of a newspaper advertisement for Canadian taxi company Jiffy Cabs on November 3, 2011, which featured a socially awkward penguin. Membase users have confirmed that the photo is taken from The Muse, the student newspaper at Memorial University of Newfoundland in Canada. Reverse Memes Some Socially Awesome Penguin macros have been created as direct inverses of Socially Awkward Penguin derivatives. For example, the figure below shows examples of derivatives of "socially awkward penguin", "socially average penguin", and "socially cool penguin" for the same social situation. The Socially Cool Penguin The socially cool penguin is the most popular derivative of the socially awkward penguin. Often portrayed as the opposite of the original character, with captions depicting the character as popular, charismatic, and sexually attractive. On January 13, 2010, the "Fuck Yeah Socially Awesome Penguin" Tumblr blog was created with the first image macro captioned "Say the word wrong / Come up with a hilarious inside joke". Although the image has been watermarked by Meme Generator, the exact date of creation is currently unknown. Socially Awesome Penguin follows the reverse style of the Socially Awkward Penguin template, with the penguin face to face type and background red instead of blue to match characters that are exactly the opposite. On April 8, 2010, a macro photo of a socially awkward penguin was posted in the 4chan /b/ thread of a socially awkward penguin with the caption "Cute / approaches you in the lobby for a quick chat. You meet him after school (random) post. The second "Socially Awesome Penguin" on Tumblr was created on August 15. On January 3, 2011, Redditor Mano21 retweeted a post containing several socially awkward penguin derivatives on the /r/AdviceAnimals subreddit, receiving 1,210 upvotes before it was archived. In the same month, the Socially Awesome Penguin Quickmeme website was launched. On March 1, 2012, the online humor blog Smosh released a compilation of prominent Socially Awesome Penguin spin-offs from Tumblr and Reddit. The meme continues to spread on sites like FunnyJunk, Tumblr, and the /r/AdviceAnimals subreddit. As of April 16, 2012, the Quickmeme page has received over 3,500 posts and the "Socially Awesome Penguin" Facebook page has garnered over 990 likes. The socially awkward penguin hybrid is often shown in macro photos with its opposite, the socially awkward penguin. On May 12, 2011, a "Socially Awesome Awkward Penguin" Quickmeme page was created showing macros, with half of the image depicting a successful social interaction and the other half depicting a socially awkward interaction. As of April 16, 2012, the Quickmeme site has received over 8,200 submissions. On September 2, 2015, the German tech blog GetDigital published a post revealing that Getty Images had threatened the site with a copyright infringement lawsuit for using a socially awkward penguin without permission and demanded a license fee of  785.40. The post highlights alternate images for a series of macro images featuring a penguin illustration instead of Getty's original cropped images (shown below). On September 3, The Daily Dot was releasedArticle about the copyright claim, which included a statement from Getty Images confirming that the company had taken legal action to protect the copyright of the penguin image. "We believe in protecting the copyrights and livelihoods of photographers and other artists who depend on licenses to make a living and fund the creation of new work. Getty Images has a great responsibility to the more than 200,000 artists we work with to ensure their work is properly licensed when used by commercial organizations. Keep in mind that many of the artists are small businesses who are entitled to compensation for their work." In the days that followed, other news outlets published articles about Getty Images' lawsuit, including BoingBoing and CBC News. Search Interest The search for the socially awkward penguin began in May 2009 - the same month as the earlier Chanarhiva thread. External References
