Send well wishes to a recent grad, or a fellow grad, with a custom card made using Adobe Spark. Explore professionally designed graduation card templates to get you inspired, then choose one to remix and customize. Handpick your layout, font choices, and color palette, then upload a photo of the recent grad or another image that feels inspiring. Print out your card at home, work, or with a professional printer. Share it digitally via email, link sharing, or by uploading it to your social platforms. It's as easy as choosing a template, customizing, and sharing. How to make a graduation card. Start with inspiration.We hook you up with thousands of professionally designed templates, so you're never starting from a blank canvas. Search by platform, task, aesthetic, mood, or color to have fresh inspiration at your fingertips. Once you find a graphic to start from, just tap or click to open the document in the editor.Remix it to make it your own.There are lots of ways to personalize your card templates. Change up the copy and font. Sub out the imagery with your photos. Or browse from thousands of free images right in Adobe Spark. Spend as little or as much time as you want making the graphic your own. With a premium plan, you can even auto-apply your brand logo, colors, and fonts, so you're always #onbrand.Amp up the flair.It's easy to add extra flair and personality to your projects with Adobe Spark's exclusive design assets. Add animated stickers from GIPHY or apply a text animation for short-form graphic videos in one tap. We've taken care of all the boring technical stuff so you can focus on your message and style. You can also add collaborators to your project, so you can have more hands-on-deck bringing your design to life.Re-size to make your content go further.Gone are the days of having to memorize image dimensions for every single platform. Once you've landed on a design you like, you can easily modify it for any printed need or social network by using Adobe Spark's handy, auto-magical re-size feature. Simply duplicate the project, hit re-size, and select the platform you want to adapt it for, and our AI will take care of the rest. Boom. Content for all your channels in a fraction of the time.Save and share your custom graduation card.Once your card is complete, hit that publish button. Instantly download your design to print at home, at work, or with a professional printer. Or, upload it to your social channels, or send it via text or email to your friends and family. Adobe Spark saves your designs, so you can always revisit your project if you need to update it in the future. Adobe Spark inspires you to think outside the box. Explore professionally designed graduation card templates to get you warmed up, then have fun getting creative with all the ways you can use Adobe Spark to your advantage. Make your card match the colors and mascot of the graduate's school, or make it a one-of-a-kind design that feels true to you. Create printed cards, as well as digital cards that feature animation to share on your social channels. Include a space in your card to include a check or monetary gift, or remix your card design into a gift tag to include with a separate present for the grad. Don't forget to sprinkle in a little wisdom that the graduate can use as they start their next chapter. There are endless creative opportunities at your fingertips. Let Adobe Spark be your graduation card design expert. Hone your creativity with the power of Adobe Spark Post. Explore professionally designed templates to get your wheels spinning or create your card from scratch. Establish a theme for your designs using photos, icons, logos, personalized fonts, and other customizable elements to make them feel entirely authentic. Duplicate designs and re-size them to create consistency across multiple types of assets. With Adobe Spark Post, it's free and easy to make, save, and share your designs within minutes so you can add collaborators, get approval, and celebrate a graduation for the books.
