Use a hint if you get stuck! How good is your English? Try our free grammar test Index of contents Video: past simple / continuous See explanations on Simple Past and Past Progressive Use After another or at the same time? Want to say actions happened one after another or at the same time? New action or already in progress? If a new action happens while another is ongoing, use both tenses: Simple Past for the new action and Past Progressive for the ongoing action. Only mentioning progress or emphasizing it? Want to mention an action happened (short actions) or put emphasis on its progress? Certain Verbs Some verbs are only used in Simple Past (not with progressive form). state: be, cost, fit, mean, suitExample: We were on holiday. possession: belong, haveExample: Sam had a cat. senses: feel, hear, see, smell, taste, touchExample: He felt the cold. feelings: hate, hope, like, love, prefer, regret, want, wishExample: Jane loved pizza. brain work: believe, know, think, understandExample: I did not understand him. introductory clauses for direct speech: answer, ask, reply, sayExample: "I am watching TV." he said.
