Asked to explain the social media post by Mr Slater, the witness said: "He could be boasting to his friends. He's on a buzz, so maybe it could be that. Sometimes people do exaggerate." claimexhibitownpossessivesWhat does boast mean? To boast is to brag, especially in a way that exaggerates or shows excessive pride about the boaster's skills, possessions, or accomplishments. The word boast can also be used as a noun to refer to such a claim, as in He made outrageous boasts about how he once rode a shark. People most often boast about themselves their skills, their possessions, or the things that they have accomplished but a person can also boast about someone else. A parent might boast about their child's accomplishments, for example. Someone who is known for boasting or who boasts excessively can be described as boastful. The word boast can also mean to possess something in a way that is considered worthy of pride, as in The school boasts a new library and gym. A product may be said to boast a certain feature, as in The new model boasts a 10-inch display. This sense of the word does not imply exaggeration or excessive pride like the primary sense of the word often does. Example: He boasts about how good he is, but I've never actually seen him perform. Wikipedia0.0 / 0 votesboastfulBoasting or bragging is speaking with excessive pride and self-satisfaction about one's achievements, possessions, or abilities. Boasting occurs when someone feels a sense of satisfaction or when someone feels that whatever occurred proves their superiority and is recounting accomplishments so that others will feel admiration or envy. Individuals construct an image of themselves, a personal identity, and present themselves in a manner that is consistent with their self-image. Theodore Millon theorized that in self-presentation, individuals seek to balance boasting against discrediting themselves with excessive self-promotion or being caught blatantly misrepresenting themselves. Studies show that people often have a limited ability to perceive how their efforts at self-presentation are actually impacting their acceptance and likeability by others.
