These heads are needed in order to aquire the Seusenhofer armour. One of the heads is in Rome and can be acquired at any time. The other is in the mission 'The Sixth Day' which is a 'Lair of Romulas' secret location. This mission only becomes available after Sequence 7. So why advertise the Seusenhofer armour so early in the game if it is impossible to buy until very late in the game? What is the logic to this. It serves no purpose other than to wind-up and annoy the player. Why not wait until sequence 8 is about to start, and then say that the blacksmiths have new inventory available i.e. the Seusenhofer armour I have come to the conclusion that there are 3 shrunken heads in AC Brotherhood. Two are in the game and the third is sitting on the shoulders of the programmer who thought it would be cool to annoy all the players. He needs one to encase his shrunken brain. Even UBisoft isn't immune from employing complete twits. Please post constructively and do not bypass the Language Filter. 01-04-2011 #2 If I'm correct you can get another Shrunken Head by tackling Borgia messengers/killing thieves. You'll obviously have to do it a lot but I think it's possible. That is off course if I remember correctly. 01-04-2011 #3 Or they don't want you to have the best armour by sequence 7, therefore 2 shrunken heads. 01-04-2011 #4 While a kind of pointless thread, OP made me laugh 01-04-2011 #5 Would someone mind telling me the exact locations of these heads? I only have one. 01-04-2011 #6 Originally posted by JAHman28: Would someone mind telling me the exact locations of these heads? I only have one. For the first two, look them up on you tube. Just search 'AC Brotherhood shrunken head'. The third one can be found at the Ubisoft offices in Montreal. I don't know where it is exactly, but try looking in Patrick Plourde's office (Game Director). If it's not there then look in either the offices of Steven Masters (Lead Game Designer) or Stephane Girard (Lead Programmer). If you still have 'no joy' then you'll have to ask the receptionist on the front desk. Hope this helps! 01-04-2011 #7 Originally posted by DeepUltra: quote:Originally posted by JAHman28: Would someone mind telling me the exact locations of these heads? I only have one. I am now tempted to go there one day, barge in and demand a 3rd Shrunken head. 01-04-2011 #8 01-05-2011 #9 You're going to move it where? While you don't get any achievements for completing the quests, you do get to brag to whoever will listen that you completed them all. Each quest requires a certain set of items to craft the items out of --why you need Shrunken Heads to make armor, I don't want to know- and they can be found and gathered in multiple locations.To save you from having to look in every nook and cranny, we have compiled this guide to show you exactly where to go to get what you need.
