Hp color laserjet mfp m180nw manual

The HP LaserJet Pro M180nw printer is a multi-functional device that can handle colour printing, copying, and scanning tasks. It has a print speed of 17 pages per minute for black printing at normal quality, with an 11.6-second time to first page. The printer uses laser print technology and four print cartridges, ensuring high-quality prints and potentially lower costs of ink replacement. Its maximum printing resolution is 600 x 600 DPI, which should be sufficient for most users' needs. The device has a compact size, making it easy to place on a desk or in a small office space. It supports mobile printing technologies like Apple AirPrint, HP ePrint, and Mopria Print Service, providing added convenience. However, it lacks faxing capabilities, which may be a drawback for some users. In terms of specifications, the printer accepts page description languages such as PCL 5c, PCL 6, PCLm, PostScript 3, and URF. It also has direct printing capabilities and can accept up to A4/US Letter paper size. The device's colour copying speed is 17 cpm for both black and colour prints. The printer's user manual is available in English and has been rated by two users with an average rating of 9.3 out of 10. It covers topics such as printing, copying, scanning, faxing, and troubleshooting. colour depth - 24 bitGreyscale levels: 256TWIN version: 2.1Duplex scanning: NoFaxing: NoDuplex faxing: NoPrinting colours: Black, Cyan, Magenta, YellowNumber of print cartridges: 4Page description languages: PCL 5c, PCL 6, PCLm, PostScript 3, URFBMaximum duty cycle: 30000 pages per monthDigital sender: YesRecommended duty cycle: 150 - 1500 pages per monthAll-In-One-multitasking: YesHP segment: Home, Home officeDirect printing: YesStandard interfaces: Ethernet, USB 2.0, Wireless LANUSB 2.0 ports quantity: 1USB port: YesMobile printing technologies: Apple AirPrint, HP ePrint, Mopria Print ServiceWi-Fi: YesEthernet LAN: YesEthernet LAN data rates: 10, 100 Mbit/sWi-Fi standards: 802.11b, 802.11g, Wi-Fi 4 (802.11n)Cabling technology: 10/100Base-T(X)Internal memory: 256 MBCard reader integrated: NoMaximum internal memory: 256 MBProcessor frequency: 800 MHzBuilt-in processor: YesMaximum ISO A-series paper size: A4Paper tray media types: Bond paper, Card stock, Envelopes, Heavy paper, Labels, Photo paper, Plain paper, Pre-Printed, Recycled paper, Rough paper, TransparenciesNon-ISO print media sizes: Executive (184 x 267mm), Oficio (media size)ISO A-series sizes (A0...A9): A4, A5, A6JIS B-series sizes (B0...B9): B5, B6Envelopes sizes: 10, B5, C5, DL, MonarchTotal output capacity: 100 sheetsTotal input capacity: 150 sheetsPaper input type: Paper trayTotal number of input trays: 1Maximum number of input trays: 1Product colour: WhiteDisplay: LCDDisplay number of lines: 2 linesBuilt-in display: YesMarket positioning: BusinessWindows operating systems supported: Windows 10, Windows 7, Windows 8, Windows 8.1Power consumption (average operating): 337 WAC input voltage: 110 - 240 VAC input frequency: 50 - 60 HzPower consumption (ready): 8 WPower consumption (sleep): 1 WPower consumption (off): 0.1 WEnergy Star Typical Electricity Consumption (TEC): 0.531 kWh/weekSustainability certificates: Blue Angel, ENERGY STARDimensions:420 mm width292.6 mm height380 mm depthWeight:15700 gOperating relative humidity:15 - 30 %Storage temperature:-20 - 40 °CPackage weight:18400 gPackage dimensions:497 mm width466 mm height379 mm depth Contact the seller if you have any issues with your work. The HP LaserJet Pro M180nw can hold up to 4 cartridges. In most situations, the inkjet cartridge breaks and needs to be replaced. There are two main types of printers: laser and inkjet. Laser printers use toner, while inkjet printers use ink. DPI (Dots Per Inch) is a measure of how many tiny ink droplets land on the paper when printing. The manual for the HP LaserJet Pro M180nw is available in English. If your question isn't already answered here, feel free to ask.
