The estimated flight time is 3 hours and 33 minutes. The drive distance from Toronto (YYZ) to Cancun (CUN) is 3276 miles / 5273 kilometers and the travel time by car is about 65 hours and 10 minutes. If you're ready to dive into the ocean as soon as you get off the plane in Cancun, you're lucky because there are plenty of options to reach your resort or hotel in a blink! You can calculate the rate and book the transport from and to the airport on the Cancun airport website. This is the safest option, as unlike many airports it is recommended not to call a taxi from the airport here, as you are likely to be overloaded by a licensed lawyer. Make sure you always look for the Cancun airport ID badge and follow the instructions in your confirmation email when you book your transport. There is also a public bus system that has frequent routes from the airport to Cancun, Playa del Carmen, Puerto Morelos, Tulum and Merida. And of course, if you are trying to do some exploration, there are also car rental options at the airport. B. There are no airlines that offer this service to this city. Please use this information only as a reference and confirm with the airline before booking. Interjet is an airline that has recently started flying from Canada, beginning with Montreal, and now added flights from Toronto. They just uploaded their rates from Toronto to Cancun and Mexico City in their system, and it seems that they are offering significant discounts on introductory rates. Flights are non-stop in both directions. The dates of July, August and September are \$273 CAD (only transport) to \$341 CAD (with checked baggage) return, taxes included. From November 2017 to March 2018 the dates are from \$404 CAD (only transport) to \$472 CAD (with checked baggage) return, taxes included. The most interesting dates for \$403 CAD round trip are those around Christmas and New Year's dates. They are cheaper than 40% compared toAnother non-stop option of the airline.Sappi that InterJet charges \$ 68 CAD round-trip for the registered baggage (\$ 34 each way). Prices in their own the view is for carry-on alone. Davailability for travel2017: July, August, September, October, December 2012: January, February, marchhow to find and book these valid: Some people are reporting that interjet is making them bill in \$ ord, even when they are definitely using the \$ cad version of the interget website. I would avoid booking these on the \$ cad version of the interget website for now. all those who have booked these on the mex version of the interget website, in pesos, reported the amount that were billed in \$ cad are correct (and actually lower than those that if they had booked in \$ cad.) I imagine you could also book them on the \$ ord version of the interget website and be billed correctly in \$ cad (and could also be a little lower than what the \$ cad website is showing. ) seems to be just the \$ cad version of the interget website that is screwed.1. go to the website interget2. search for a toron flight to cancu, in mexico (cun) 3. test dates between hour and March 2018. Rtry by clicking on "see the full month of the month "to browse rates from other months. months of call: July, August, September - \$ 162 cadoctober, November, December - \$227 cadjanuary, February - March - \$ 227 cadreturn months: July, August, September - \$ 111 cadoctober, November, December - \$ 176 cadjanuary, February March - \$ 176 € 176 cadsscreenshot from the intermediate website you are comfortable booking in Spanish, you can go to the mexico interjet website and potentially save about \$20 to \$80 cad the prices listed above.1. go to the interget mexico2 website. search for a toron flight to cancu, in mexico (cun) 3. test dates between hour and March 2018. prices will be in pesos. can work at about \$20 to \$80 cad to a more economical extent when booking your flights by weights using a Canadian credit card, even after factoring in the typical 2.5.%screenshot credit card exchange fees from the interjet intermediate site you can also find non-stop toronto to Mexico City flights around the same dates for \$346 to \$496 cadrip including taxes1. go to the website interget2.
