DC's Legends of Tomorrow S5: Comic-Con 2019 Sizzle December 8, 20192minTV-NRSubtitlesAudio languagesTop reviews from the United States5.0 out of 5 starsFound its footing a couple seasons back, and is now the best Arrowverse show BY FARVerified purchaseSeason 1 was mostly a nightmare with Vandal Savage as the most boring supervillain imaginable, and the super dull story arc of Hawkman and Hawkgirl. It didn't know what tone worked best for its cast, and the Firestorm character felt pretty played out by the middle of Season 2.Fast forward 3 years, and you finally have what feels like THE true ensemble cast working wonders with some of the funniest and wittiest writing on any network TV show, but it still feels like a superhero show. It's like the best of Quantum Leap meets the best of Supernatural with a sprinkling of original Trek.It has been the best Arrowverse show for the past 3 seasons, with Flash being a distant 2nd. Sure, Legends is tonally way different from Arrow, but Arrow has been really bad the past few years, and Legends has filled its void. IMO. Supergirl is Superlame, sorry. Unwatchable I was originally going to buy the first few eps of S5 on Amazon and then catch up with the online eps available on CW.com, but when I saw it was only \$14.99 for the whole season, I went ahead and bought it. In the first season of this superhero spinoff of "Arrow" and "The Flash," Rip recruits a group of misfit heroes -- and future legends - who soon realize that the mission may actually be more personal to Rip than they were led to believe. Cast includes Dominic Purcell, Wentworth Miller, Caitly Lotz, Vitor Garber, Brandon Routh, Arthur Darvill, Ciarra Renee and Granz Drameh. When heroes alone are not enough ... the world needs legends. Having seen the future, one he will desperately try to prevent from happening, time-traveling rogue Rip Hunter is tasked with assembling a disparate group of both heroes and villains to confront an unstoppable threat — one in which not only is the planet at stake, but all of time itself. Can this ragtag team defeat an immortal threat unlike anything they have ever known? Released: 2016-01-21 Genre: Action & Adventure, Drama, Sci-Fi & Fantasy Casts: Brandon Routh, Caitly Lotz, Dominic Purcell, Amy Pemberton, Tala Ashe, Jes Macallan, Courtney Ford, Nick Zano, Matt Ryan, Maisie Richardson-Sellers
