Learn thai language book pdf

สวัสดีครับ Welcome to thai-language.com, your internet resource for learning the Thai language for over 15 years. Here you'll find 21491 audio clips, over 77312 dictionary entries, 826 images and illustrations, message boards, and a friendly world-wide community of folks who are interested in Thai language, culture, residency, and travel. This website provides information for English speakers with any level of interest—from beginners who wish to learn a few phrases before their vacation to advanced students who may be living, working, or retired in Thailand someday. Site News If your audio isn't working with (most) modern browsers, please use the site control panel to change your audio settings to 'mp3'. Be sure to click on 'save changes' in the lower-left corner to apply the setting. This step is necessary because unfortunately we are not able to modify the 'default' value(s) for any site settings at this time. January 1, 2021 Happy New Year! Many thanks to David for this large update: September 14, 2020 Today we have uploaded 642 new word or phrase entries, many additional edits, updates and corrections, and the following 18 new reading lessons. Many thanks to David for these updates! June 22, 2020 Many thanks to David for these updates: March 16, 2020 New uploads today include vocabulary and dialogs related to the COVID-19 outbreak: January 6, 2020 October 27, 2019 New uploads today include 468 new native-speaker audio clips, the following new lessons/dialogs (including entries for new words referenced), plus additional updates and corrections: June 26, 2019 Today's upload includes a lengthy short story and several other reading exercises, as well as about 34 pages worth of new Thai words and phrases. Many of these come from the edits and new additions that users have suggested through this website's online web submission form, so thanks to our user community for these. As always, all the new Thai words are carefully vetted, fully cross-linked, and of course presented with the freshly curated English definition and fully user-customizable transliteration display that thai-language.com is known for. This is a particularly large update, thanks David! Many thanks to Christian Rishaj for creating our new app for the iPhone and iPad, Thai-English Dictionary from thai-language.com. The app is free and it's now available at the iTunes store. I am also pleased to recommend the following product which is helping me with development on my Thai language research: Mission Statement The mission of thai-language.com is to offer English speakers the highest-quality non-commercial Thai language resource on the web. Our discussion forums, dictionary, and learning materials support a friendly world-wide community of folks who are interested in Thai language, culture, residency and travel. As travelers and Thai learners, we may get confused when ordering a Thai dish to be pet noi or mai pet, or we may mistake 'near' and 'far' when asking for directions. (Near and far in Thai are both pronounced as glai but with different tones.) But don't worry – we are here to help you! Mastering and learning Thai will take time, and what better way to learn the Thai language than through Thai learning books? Here, we have compiled some of the best grammar books, textbooks, and practice books to learn Thai. Editor's note: To reach fluency faster, combine these books with other resources, such as apps, podcasts, online courses, videos and YouTube channels. For your convenience, we've compiled a handy list of 30+ Thai learning resources, including FREE ones. Read it, save it, and share it! Best Thai books for beginners Who says you can't start learning Thai with books? Indeed, it may seem intimidating; you may be self-learning Thai, dipping your toe in the water, or just a bit rusty in your Thai language skills. Fret not! Here are some starter books which serve as resources for an easy way to learn Thai. 1. Thai for Beginners Firstly, you cannot go wrong with this Thai for Beginners book. Many learners begin with this book and then continue with their intermediate and advanced books. In the 10 lessons, you will not only learn how to read and write basic Thai but also speak and listen in Thai too. At the end of the book, you will enjoy an index with 1000 English to Thai words. Tip: The provided audio CD is essential for the full learning experience. This book is best for: Beginners who are in a class or want to teach themselvesLearning the essentials of Thai pronunciation and its variations and types 2. Teach Yourself Thai Travelling to Thailand and need to pick up some useful phrases and words? This book will be more than sufficient for that! You will learn the Thai language basics, such as the five tones and conversational skills. Moreover, the pairing audio would be great for you to listen to at your own pace and at repetitions to grasp Thai dialogues. Eventually, you will learn how to speak Thai on your own. This book is best for: Beginners who are up to self-studyLearners looking for an in-depth and fast-paced structureAn excellent foundation to further your Thai skills 3. Read Thai in 10 Days Absolutely, language books may seem daunting and may not be everyone's cup of tea. If you are going to be diligently studying this book, you could read Thai in 10 days. If not, take your time to appreciate the well thought out simplicity of this book and learn at your own pace. Not to forget, the accompanying audio is free to download. This book is best for: Hands-on exercises and memorization drills to learn the Thai languageSimple and organized layout Digestible learning content 4. My Thai Book This series is a book with accompanying free video lessons that can be found on YouTube or Amazon Prime Video. It's designed with thought and care by a Thai language learning center in Chiang Mai. For example, they have created over sixty 20-30 mins videos on YouTube, each simulating a real-life language course. Instead of being out, you can learn at the comfort of your home. Additionally, if you enjoyed this book, there is a second book you can check out too! This book is best for: Learners who want to accompany the book with video lessonsFirst-time Thai learners who want a fun approach to learningTeaching yourself Thai at your own paceLearners looking for an eBook alternative to learn Thai (available in both Paper and eBook) 5. Easy Thai Moreover, if you are learning how to read Thai, you should probably learn how to speak Thai too! This book covers all of the topics you would need to know as a traveler in Thailand. Instructions are in English, accompanied by the Thai script and romanization of the phrases. You will also enjoy a relatively comprehensive Thai-English glossary at the end of the book. In short, this book is a definite bang for your buck. This book is best for: A simple and comprehensive guide for beginnersInteractive speaking and written exercisesMemorizing phrases and words through repetitionLearning materials which include cultural notes and advice (e.g. opening a bank account in Thailand) Best grammar books to learn Thai You will be glad to know that Thai grammar is much easier than English grammar. While they have their similarities, Thai grammar has lesser rules. Maybe learning grammar could be fun, after all. Once you know a few rules, you will be able to construct grammatical sentences like a native. Here are three books that are often thought of as the trinity to Thai learners and teachers. 6. Thai: An Essential Grammar A digestible and friendly reference book for learning Thai grammar. Without being too overwhelming for beginners, the chapters are straight to the point and cover all the necessary materials you need. Additionally, this book would be best paired with other materials as its concise and clear structure discounts you of more examples. This book is best for: Beginners and intermediate learnersA clear and comprehensive guide to grammatical rulesIndependent learning and classroom learning 7. Thai Reference Grammar Secondly, take it up a notch from the previous guide and pick up this reference book. I recommend this for serious or seasoned learners who want to gain in-depth knowledge of the Thai language. Filled with practices and examples of different grammatical rules, this book will be your companion for your whole Thai learning journey. This book is best for: Advanced or experienced Thai learnersFormal and informal uses of the Thai language Supplementing other learning materials 8. A Reference Grammar of Thai Finally, interested in understanding the different functions of the Thai language? Want a book with orthographic spelling in Thai and IPA? Look no further, this book was designed with those in mind. This Thai grammar book will be best for seasoned learners and linguists interested in studying Thai grammar in depth. This book is best for: Advanced learners looking to polish their Thai grammatical rulesLinguists and teachers of intermediate-advanced studentsClear and extensive chapters on grammar rules Best textbooks to learn Thai Sometimes the word 'textbook' reminds us of school and its long and boring lessons. In short, textbooks get a bad rep. When instead, textbooks can give us clarity and structure when learning a new language. Here are some of the best Thai language textbooks you can check out. 9. AUA Language Center Thai Course: Book 1 Developed by one of the most prestigious and oldest learning centers of the Thai Language. This book is no stranger to Thai language schools and teachers. This course has 20 lessons specifically designed for students in a classroom setting. Accompany this structured book with other learning materials, and you will not be missing out on any learning. This book is best for: A comprehensive guide for beginners taking Thai lessonsPairing with a workbook for writing and reading practice 10. Thai Language and Culture for Beginners Book 1 Commonly used in schools and teachers, this textbook is highly recommended for students who want to build on their existing Thai knowledge. In the two-part series, you will learn about daily topics and situations and develop your Thai comprehension skills. This book is best for: Building a strong foundation for learning the everyday Thai languageInter twining learning the Thai language and the Thai culture Learning Thai with the accompanying audio 11. Cracking Thai Fundamentals The polyglot author describes this book as a Thai operating system for your mind. This book is not your average Thai language learning book. Its approach to learning is a unique one, instead of just telling you the Thai language components. The author explains what the features are about through different concepts and depth. This book is best for: Serious learners of any proficiencyLearners looking for an exciting style to learn ThaiLinguists and learners who appreciate the depth of the Thai language 12. Learn Thai with Maanee Also known as 'Maanii books'. The 12 books in the series were initially used to teach Thai primary school students how to read and write Thai. Mia, a Thai language teacher, and her love of Maanee books have translated 5/12 of the books to English for all learners. In other words, you can now learn Thai for free with English translated and original Thai language Maanee books. Thank you, Mia! Image credit: Mia This book is best for: Beginner learners Both younger learners and kidsLearners who want to learn how to read Thai from a 100% Thai textbook Best practice books to learn Thai Sure, scribbling and diligently writing Thai words will help improve your Thai writing skills. There's absolutely no shame in needing some practice books to perfect your Thai skills from the very basics. Here are some of the best Thai learning practice books. 13. Master the Thai Alphabet Without breaking the bank, you can invest in a quality and effective workbook to practice your Thai handwriting. You will expect the classic tracing of alphabet exercises to increase your memory and familiarity as well as learning the different variations of the Thai alphabet that you will encounter. This book is best for: Learners who need ample space to practice their writingTeachers, students, or self-taught learners who want to photocopy exercises (the author has kindly granted non-commercial use rights) 14. Khian Thai: Thai Writing Workbook If you are confident in conversing in Thai, take it to the next level by getting a book to learn how to write Thai! Considering the Thai alphabet is not your standard ABCs, this book will certainly make learning how to write the Thai alphabet easy and straightforward. Note that this Thai book focuses solely on writing, so it's not a stand-alone guide to learning Thai. This book is best for: Learners looking for Thai alphabet writing practicesLearners who are interested in the transliteration of Thai scriptures 15. Thai Alphabets Practice Book Last but not least, who knew a former Muay Thai fighter would turn into a passionate Thai language instructor? Kru Chom has created this exercise book filled with handwriting exercises on the Thai alphabet. For instance, the topics cover the 44 consonants and the vowels in the Thai alphabet. This is indeed simplified one-stop-all learning of the Thai alphabet. Image credit: ThaiByChom This book is best for: Beginner learners on a budgetSimple and straight to the point exercises for learning the Thai alphabetsA printable eBook formatted in PDF Finally, here is a little something different. A storybook in Thai! 16. Am I small? ฉันคั่่นเล็กหรือ? Bilingual Thai-English books are hard to find, but here's a simple one you can enjoy! Part of the campaign, "A World Children's Book for Every Child on the Planet." The book has been translated into over 180 languages—a reliable illustrative picture book for learners learning Thai. This book is best for: Young learnersPracticing reading in Thai Motivational facts to help you learn Thai Congratulations on reaching the end of this article! You must really want to learn Thai, and we hope these book recommendations will help you on your journey. Here are some motivational facts that you can treat yourself to. Of course, this will be just a pinch of what you'll learn in your Thai learning journey. 555 – In Thai, the number 5 is ห้า and pronounced as hǎa. So if you see 555 in texts or social media posts, they are saying hahaha. You can say it is a sort of slang equivalent to a laugh, LOL, or ROFL. Hence, the next time you see 5555, you will not be wondering why there are random numbers in the text. ไคร่กั่่นไกร่ [krai kǎi kǎi gǎi] – To perfect your Thai pronunciation, here's a Thai tongue twister for a little bit of fun. ไคร่กั่่นไกร่ไกร่ pronounced as krai kǎi kǎi gǎi. It directly translates to "who sell egg chicken." Try it with a local and have a good laugh. The longest ceremonial name in the world – Bangkok is famous for a lot of things. But, did you know Bangkok is also called Krung Thep? It means the City of Angels. However, that is just the simplified version. Bangkok's full ceremonial name is Krung Thep Mahanakhon Amon Rattanakosin Mahinithara Yuthaya Mahadilok Phop Noppharat Ratchathani Burirom Udomratchaniwet Mahasathan Amon Piman Awatan Sathit Sakkathattiya Witsanukam Prasit. So, put your Thai knowledge to the test, find out what it means, and share it with us. In conclusion, I hope this article on finding the best books to learn Thai has been helpful. If you are looking for more useful resources to learn Thai, check out our article on the best apps to learn Thai and also the 30+ best books, podcasts, websites, and more to learn Thai.
