Cumshots: Game Description - Ben 10 & Alien Force Vilgax Attacks: Ben 10 & Alien Force Vilgax Attacks is a popular PlayStation PSP Video game and now you can play this game on Android using PPSSPP Android emulator. Ben 10: Alien Force & Vilgax Attacks is the third game in the Ben 10 video game series, and the second game to be based on the Ben 10 Alien Force series. The second game was based on the first two seasons of the series, while Vilgax Attacks are based on the third and final season of the series. He was released on 27 October 2009. Gambling For the most part, the gameplay across the seven worlds included is a balance of action and puzzle-solving that revolves around the skills of Ben's alien forms. For example, Ben might need to change into his Humungousaur shape to break through doors, or use his Swampfire shape to ignite flammable substances. Each shape has different combinations and special attacks it can perform, and Ben can unlock new abilities by defeating enemies and collecting glowing orbs of energy. However, there is one game element that players should be aware of: using the innate abilities of a form discharges energy from Ben's Omnitrix meter, preventing them from being continuously used until the meter can recharge. As a result, players will have to focus on the combo and save their special attacks to finish the shots instead of constantly using them in battle. Ben fights Vilgax's servant Psychon, who At the waist: a smoothy billboard to attack well. Well ends up using most of his Omnitrix aliens to defeat it, but it ends up draining the power accordingly. Azmuth, creator of the Omnitrix, appears and tells him that the Omnitrix must reload before he has access to all of its aliens, leaving Ben with only Swampfire, Humungousaur, Cannonbolt, Big Chill and Spidermonkey. Gwen and Kevin present, along with Professor Paradox, who teleports the gang back to the past to stop Vilgax's plan before it happens. Paradox creates the trio a message from Grandpa Max, who directs them to the planet Vulpin, home of WildMutt, one of Ben's original aliens. Ben invites the galvanic mechaomorph ship to help them. On Vulpin, another message from Grandpa Max reveals that Vilgax is using the planet's refinery to create a piece of alien technology for an unknown purpose. Ben's heading to the refinery alone. Along the way, he beats many of Vilgax's robots, some vultipulators and a giant two-headed snake. When he reaches the refinery, he meets the Vreadle brothers (Octogon and Rhomboid Vreadle) and defeats them and destroys the alien technology, setting fire to the refinery in the process. He reunites with his teammates, who learn Vilgax's plan: he finds an energy core to energize his null projector and use it to take the earth. In another message, Max leads the team to Terradino, which is the Humungousaur's home planet. The group arrives in Terradino and learns that the next energy center is located in a nearby temple. Ben gets back and inside the temple, he ends up facing Charmcaster, who wants revenge on Ben for his actions against his hexadecimal side. Ultimately, Charmcaster is defeated, Ben destroys the energy core, and the temple begins to crumble. Ben meets the backup with Gwen and Kevin, and learn that Max has gone to Encephalon IV, Brainstormy Home Planet, where an old enemy of Ben is waiting for him. After arriving on Encephalon IV, Ben gets brainstorming, determined to figure out who was waiting for him. He soon discovers the villain to be Darkstar, who is easily defeated. Ben destroys the next energy core and once again meets with Gwen and Kevin, and learn from another of Max's messages, that the location of the final energy core is ANUR PHAETOS, Home World of Zsâæ Skayr (aka GhostFreak), one of Ben's former enemies and aliens. However, Vilgax intercepts the message and dares Ben to defy the dangers of Anur Phaetos, who if he can even find his way there, since Anur Phaetos is not a planet, but an alternate dimension. Fortunately, Max sends Ben and Gwen Verdon's paternal anodized grandmother to assist the team. Verdon teleport them to ANUR PHAETOS, but at the cost of having them separated. Ben ends up facing ZS æ Skayr and defeating him, destroying the energy core he guards and recapturing Echo Echo. Paradox transports the group to their original size and informs them that Max was lying when he said Anur Phaetos the latest energy core known to launch Vilgax. Keep saying that a mysterious being is Morâ; Otesi, using the Tydenote to create an energy nucleus that Vilgax can use to seize Earth. On Morâ; Otesi, the gang learns that their old friend Cooper was tricked into creating the new energy core by an unknown criminal, and Cooper redirects them to the research center where the Tydenote was working on. Ben recovers Chromastone at the Omnitrix and leaves with Gwen and Kevin go with Cooper to sneak in another way. When he arrives at the lab, Ben discovers that Albedo's mind is barely able to defeat. After destroying the tydenote, Ben meets Gwen and Kevin, and Grandpa Max arrives, informing the team that there is another energy core, but which is in the Zero Void. The group then heads there, where Max gives Ben a jojo skeleton key to transport into the Zero Void, warning him not to destroy the energy core, but to use it to return to their main dimension. Ben returns to Jetray and heads to the Vuoto Null, where he meets DâVoid/Doctor Amino. He defeats it and finds the final energy core, using it to transport it to the main size, where Ben has not passed. Ben also gives Max a photo of them and Gwen since Ben discovered Omnitrix at the age of ten. The group returns home and discovers that Vilgax is still invading Earth, but its projector Null Void is weaker because Ben destroyed all existing energy nuclei, except that of Null Void itself. With Max, Gwen and Kevin, who keep Vilgax's rucksack away. Ben crosses Bellwood until he is teleported to the Vilgax ship, where he faces Vilgax himself. After defeating him, Ben steals the remaining energy core from Psychon, who tries to shoot him directly at close distance the energy of the Zero Hollow. However, Paradox arrives and tells Ben that "this is the right time." Ben then turns into Alien X (he would have done at the beginning of the game, but Paradox advised him not to do it, because the time was not the right time yet). Alien X reverses the power of the cannon, sending Vilgax his ship and Psychon through a Null Void portal. Ben returns to normal, and Azmuth appears, initially he seems to reprimand Ben for what he did, but instead, to congratulate him for his work. The game ends with Azmuth adding a new feature to the Omnitrix, to which an enthusiastic Ben responds: "Oh yes!
