Assassin's Creed Identity (Mod, Easy Game) - Compagnia Ben Note Ubisoft never ceases to satisfy fans with its interesting and high quality applications. It happened with the I believe of Assassin, you will have the opportunity to play not only on the PC but also on your Android gadget. The game will take you away in the past, during the Middle Ages, when it lasts a long-term war between killers and Templars, moves along the narrow streets of the ancient city, jumping from the roof to the roof and climb along. You are a silent murderer that must always go unnoticed, kill all the opponents who have become on your way, and only you decide how to satisfy the tasks assigned to you. The game will conquer you with its beautiful graphics and magnificent and dynamic gameplay, after passing several missions you will not be able to go down. Updated to version 2.8.3! Feel the real action with our last APK of the Identity identity identity mod (unlimited credits). You will get unlimited credits, unlimited silver and unlimited skill resources on your game account. Information on the Identity Assassino Identity file: Information on the APK file: App NameAssassin's Creed Identity Mod Apk PlatformSandroid Mod FeaturesSisunlimited credits and unlimited silver. Unlimited ABILITY POINTS Size69m Version2.8.3_007 Root of the category Requests? No pricefree Discover it on unlimited credits Unlimited silver ability to download totally safe with all Android versions Assassin Identity Identity Mod Apk is very easy to install Autoupdate no you need root your Android device! Also, try our last day on Earth: survival mod (unlimited coins). About the game the game is called identity because the main character, the murderer is a warrior with different identities. Ubisoft released the Identity of Assassin's belief for Android tablets and smartphones. It is a paid game on the Android markets but you can download it for free from our website. Some of these identities such as Trickster, Shadowblade and Berserker are free. With the use of in-app purchases, you can unlock the thief. Or you can download our hack and unlock all identities. The killer can mask like a trick and use a decoy to make the enemy confused and even camouflage like a shadow blade that uses knives that can penetrate into any armor. Graphics game graphics is well designed. The clothing of characters and monuments seem only real. It is very rare to find games with a very detailed and clear graphics like this. Emerging gameplay This game is known to offer coins, more experience and new articles to players as a reward. Several lateral missions are also provided to players who can be used in abetting their abilities. This game involves the combat of the face with the enemy, the launch of bombs, disguising between the crowd, the wall climbing and the execution of soldiers. This game has several advantages for users looking for an adventurous and full action game for their Android devices. The most difficult part of the game is, having to check the characters on the small screen of your device. The player can be slowed down by the size of the key and the overall experience could be frustrating. Fortunately, the game has floating keys that are used to activate the camera and movement and other set of keys to perform actions. Is this game worth downloading? This APK of the identity of the Identity of the Assassin has been developed to work offline and therefore can be reproduced anywhere. However, to install the game, you will require 2.18 GB of space. Also, the graphics of this game is very complicated and you need a device with a suitable hardware configuration. For fans Creed, this game offers users another great experience, even on a smaller screen. And for those who have no familiarity with the game, but it has a talent for action games, this is a great game to get started. You can download the game from the links below, even an APK version. Also, you can try the latest version of Defense of the IDLE OROE. That's right, Assassins hides in the shadows and are always ready to fight. It has become an image that can be legendary to many people. This is because I want to take you to this game. The Idight Identity of Assassin Assassin, the mobile version of the I believe of the assassin that is so famous on the PC platform. Still the same Ubisoft publisher. Surely your download will not be distorted. But it will still keep the same stealth in the original version. With this version of Assassin, I think, we will be able to explore the world of Vast Italy. Many famous real locations and manage the most important murder missions in the game. Almost all climbing action scenes are preserved so as not to lose their intrinsic value. So you will fly and you will skip very comfortably in this game. Deliver a pleasant and satisfying experience like playing on PC. Download Assassin, Creed Identity Mod - transforms into a shadow killer The furtive element is still there, followed by special actions integrated into the smartphone that make it easier for you to do it. Just scroll and move the screen can make them easily. All are included in the basic tutorial if you have never been exposed to this game before. The Identity of the Creed of Assassin presented an Italian city in detail and almost perfectly. With a beautiful 3D graphics, although a little limited to mobile devices. The attraction that leads is still undisputed. Still one of the basic content of the series. The journey of a killer belonging to the killer guild performing the tasks assigned by the guild. Assassinate the target or fight the enemy Templar. Your character will cross many different stories. Discover the many hidden secrets of the EDEN treasures. Working together for the development of the main character, perform many other great works to bring the name of the guild of the assassin to fame all over the world. Design your character, of course, opening the game will give you the freedom of Your character. Feel free to choose between Berserker with a crazy and noisy fighting style. The shadow blades gently appear and disappeared. Trickster has the ability to persuade and e And finally thief with many perfect Heists. Every class will determine your strength and mission on this journey. Based also on your preferences and combat capacity. Next is the choice of weapons, in a varied collection of pugnol weapons, sacred swords, blades for war hammers are fully present. This is the moment you choose a weapon for you that best suits you. Perform a variety of tasks that the missions in the identity of the I believe of Assassin are also very different in terms of content. From the assassination, the rescue of the hostages to destroy the Templars, the receipt and delivery of goods in the designated positions ... each mission has a different position and you have to move there and talk to the NPC to get it. It can take the task. Furthermore, during the search for missions, there may be a further incident in the plot to improve attractiveness. Thus showing the reality and the connection of the story. Then try to complete 100% of assigned activities. To receive new missions and receive experience and cash prizes. Visit famous places as well as go around and make missions, in your free time you can fully visit many famous places in the game. All these places are almost completely modeled architecture in real life. These are the famous Catholic Church of Santa Croce in Florence, the Colosseum in Rome ... and many other locations throughout this medieval Italy. Take some time to visit these places from time to time. You can also climb over them and see the city from above. A wonderful feeling that nothing can match. Usually made by most players when they don't want to make a mission. Not only such things but many interesting details of the legendary Creed Assassin series are also included in this game. If you are really passionate about Assassins and want to show your love for the game. Surely you can't ignore the Identity of the Creed of Assassin. Although it exists only on the mobile platform, it is sufficient to be as bright as its predecessors on the PC. In addition to being too fun for those who don't have a PC to play. So join the identity of the Identity of the Assassino's belief to feel the atmosphere of suffocating murderer and the thrill just like his legend. legend.
