What is the link between a bear from the very small cerebellum and a jar of honey? Usually it is the very sticky paw of Winnie The Pooh, while he takes a break among the adventures for something. "In these 5 stories, taken from the book The House at Pooh Corner, Pooh and Piglet build a House for Eeyore, Tigger comes in the forest and having breakfast, Piglet almost meets Heffalump again, Pooh invents a new game and Owl moves. As usual they are accompanied by Kanga, Roo, Rabbit and Owl, not to mention the young and intelligent human friend of Pooh, Christopher Robin. Now, with musical introduction, the delicious readings of Alan Bennett give life to all the characters in the forest.
